RE: No. 05-18-00567-CV; Darlene C. Balistreri-Amrhein v. Attorney Lennie Bollinger, et al.

Dear Ms. Matz:

We request that you furnish this letter to the Honorable Justices of this Court. On February 27, 2019, we received an Order from this Court directing the Collin County Clerk to supplement the record with a copy of "appellees' January 31, 2019 response" to Appellant's trial court motion to supplement the record.

On February 28, 2019, Danielle with the Collin County Clerk contacted our office inquiring as to whether Appellees filed any response on January 31, 2019. Appellees have made a diligent search of their records and have not located any document that is responsive to this Court's February 27, 2019 Order. Appellees respectfully submit that they did not file a response to Appellant's motion to supplement the record on January 31, 2019, or on any other date, in the trial court. Attached is a true and correct copy of the trial court's docket sheet in Cause No. 006-02654-2017 in County Court at Law No. 6, Collin County, Texas. Further, Appellees did not file a response to Appellant's motion to supplement the record on January 31, 2019 in this Court.

Thank you for your assistance in this matter. Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,

Katherine Elrich

03/09/2018 **Judge's Docket Entry**
Plaintiff failed to appear although dully noticed by the court to appear regarding her motion for continuance. The defendant appeared with counsel. The court called Dr. Arakal in an attempt to get more information at 972-608-5000 as the Court was invited to do so as stated in Exhibit A of the Plaintiff Motion for Continuance. The Court is taking the Motion for Continuance under advisement until further notice.

03/21/2018 **Judge's Docket Entry**
Court has not heard back from Dr. Arakal. Court called Dr. Arakal and left a message with Nichelle, Dr. Arakal's surgery scheduler to inquire about surgery schedule for Ms. Amrhein.

03/21/2018 **Judge's Docket Entry**
Dr's Office called and Court was able to verify date of 4/26/2018.

03/21/2018 **Judge's Docket Entry**
Plaintiff's Motion for Continuance is DENIED. The Plaintiff failed to appear at the Motion for Continuance Hearing and the Court took it under advisement. However, the Plaintiff did appear and filed more documents with the Court on 3/12/2018 so it is apparent that the Plaintiff can make physical court appearances. The Motion for Continuance is therefore DENIED and a hearing on the Motion to Declare Plaintiff a Vexatious Litigant is to be scheduled. The Court will make allowances for the Plaintiff to accomodate her physical requirements.
